**Explanatory Note for Department of Treasury Report  
May 3, 2010**

The Department of the Treasury's compliance with the National Environmental Policy Act (NEPA) for projects/activities receiving funds under Division A of the American Recovery and Reinvestment Act for 2009 (ARRA) is provided in the attached spreadsheet.

This report covers investments funded by the Community Development Financial Institutions Fund (CDFI Fund) and Health Insurance Tax Credit Administration (HITCA). As of December 31, 2009 all CDFI Recovery Act appropriations have been obligated and disbursed, for a total of \$98 million. HITCA obligations increased from \$68,364,538 as of December 31, 2009 to \$68,583,803.

All NEPA actions for CDFI Fund and HITCA activities have been covered by the categorical exclusions set forth in 12 CFR Section 1815.110. There have been no changes to the number of NEPA actions since the last report.
