**Explanatory Note for National Endowment for the Arts Report
May 3, 2010**

As stated in the January 15, 2010, report of ARRA NEPA status and progress, the NEA has completed its NEPA review for all of its ARRA projects, and completed the obligation of its ARRA appropriation. NEA took this opportunity to implement NEPA procedures designed to facilitate future environmental reviews. As previously noted, while the NEA's total ARRA appropriation is \$50,000,000, \$125,000 is allocated to salaries and expenses. Consequently, the total appropriation reported for grants is \$49,875,000.

No change occurred in the reporting period that ended on March 31, 2010.
