**Explanatory Note for USDA Foreign Agricultural Service (FAS) Report
May 2, 2011**

During the period ending March 31, 2011, no additional obligations were made against the TAA for Farmers Program. Note that we are not reporting any additional obligations for administrative overhead, which includes zero dollars recorded during this reporting period. These costs are not being reported because CEQ reporting guidance states that salaries and expenses that are used to administer the American Recovery and Reinvestment Act of 2009 (ARRA) should not be included in these reports, which are limited to only projects and activities receiving ARRA funds.

Please be aware that no additional overhead costs were incurred during this reporting period, because the TAA for Farmers Program expired on December 31, 2010.
