**Explanatory Note for Department of Treasury (Treasury) Report
November 2, 2009**

The Department of the Treasury's compliance with the National Environmental Policy Act (NEPA) for projects/activities receiving funds under Division A of the American Recovery and Reinvestment Act for 2009 (ARRA) is provided in the attached spreadsheet.

This report covers investments funded by the Community Development Financial Institutions Fund (CDFI Fund) and Health Insurance Tax Credit Administration (HITCA). As of September 30, 2009, all CDFI Fund Recovery Act awards have been obligated and disbursed, for a total of \$98 million. During the reporting period, HITCA obligations increased from \$22,300,000 as of June 30, 2009 to \$54,627,844 as of September 30, 2009.

All NEPA actions for CDFI Fund and HITCA activities have been covered by the categorical exclusions set forth in 12 Federal Register (FR) Section 1815.110. There have been no changes to the number of NEPA actions since the last report.
