**Explanatory Note for the Central Utah Project Completion Act (CUPCA) Report
November 2, 2011**

Attached is the Central Utah Project Completion Act's (CUPCA) National Environmental Policy Act (NEPA) Report as required under the American Recovery and Reinvestment Act (ARRA) of 2009, Section 1609(c). The CUPCA Office was approved for ARRA funding under one Treasury Appropriation Fund. There were nine ARRA funded projects with no new entries in the CUPCA report. The environmental compliance has been completed for all nine projects: four Environmental Impact Statements and five Environmental Assessments. All funding appropriated for CUPCA was obligated and as of December 31, 2010, 100 percent of funding appropriated for CUPCA has been expended and all ARRA projects are now complete. CUPCA de-obligated \$289,582.27 that was left remaining on ARRA funds.
