National Enviromental Policy ACt (NEPA)

I strongly dissaprove of the proposal to modernize this law for many reasons. I feel that this is ~~a~~ very beneficial act that protects the enyiroment. ~~[illegible]~~ The new proposal will make it so that the water is ~~not protected if it's 3 miles off of the shore~~ almost totally unprotected ~~and~~. resulting in the death of marine-life. I feel that you shauld really think this over.
