National Environmental Policy Act Task Force
P.O. Box 221150
Salt Lake City, UT 84122

The Hawai'i Office of Environmental Quality Control is responsible for implementing the Hawai'i Environmental Impact Statement Law. In this function, we assist Federal agencies in publishing NEPA notices, preparing joint Federal/State Environmental Impact Statements, consulting with local agencies and conducting background research.

We are interested in reviewing the task force recommendations to improve our NEPA coordination efforts. Therefore, please send us one copy of all your draft and final reports.

Should you have any questions, please call Jeyan Thirugnanam at 586-4185.

Sincerely,

Genevieve Salmonson
Director
